

## Lighting Installation Technician - ORLANDO

Pro Sound, Inc. is looking to hire full time Lighting Installation Technicians to support our world class projects. We are looking for individuals who have a passion to learn and hone their skills in the Lighting field.

### **Responsibilities:**

Our Technicians are responsible for the design and construction of AV & Lighting racks and the installation of Lighting, Audio and Video equipment. We also support the maintenance and repair of our existing systems in a wide variety of venues and industries across the United States. From Theme parks and Sporting stadiums to Government building and Houses of worship. We are a leader in Professional Lighting & AV installations.

### **Basic Qualifications**

- Competent, hardworking and a self-motivator
- Understanding of basic Lighting Theory and installation
- Understanding of Intelligent moving fixtures operation, maintenance and repair
- Understanding of DMX protocol, show control and timecode distribution
- Understanding of basic electrical circuitry
- Ability to troubleshoot
- Ability to work in an outdoor environment
- Ability to work at heights
- Valid U.S. Driver's license
- Full availability; including 2<sup>nd</sup> and 3<sup>rd</sup> shifts, weekends and holidays as required

### **Preferred Qualifications**

- Bachelor's degree or equivalent in relevant field
- 3 years Lighting experience in the Entertainment industry
- Electrical experience
- Leadership experience

### **Additional Information**

Please email a copy of your resume along with a cover letter to; [Jobs@prosound.net](mailto:Jobs@prosound.net) or use the link on our website under careers

### **About Pro Sound**

For more than four decades, we've been honored to design, develop and install some of the most advanced audio/video systems in many of the most renowned venues in the United States. We've earned this right through an unwavering dedication to our craft. Every project must be the best that we can make it – and then even a step better.
